## Music for the Formalities

### **Cake Cutting**

We will play a song in the background during your cake cutting ceremony. We prefer the Average White Band - Cut the Cake. If the bride and groom want something different that will not be a problem.

### **Bouquet Toss**

We use show tunes or fun stuff that reflects the moment of the event. During the toss we like to use David Letterman's theme by Paul Schaffer.

### **Removal of the Garter**

Some popular choices include "Legs" by ZZ Top, or "In These Shoes," by Krista McColl.

### **Throwing of Garter**

When we call all single gentlemen to the dance floor we often play the Blues Brothers or Peter Gunn. When the recipient of the garter places it on the recipient of the bouquet we like to use "Yello-Oh Yeah."

*Please keep in mind these are suggested songs and any substitute of music by the bride and groom is always honored and welcome. We always use good judgement during the bouquet and garter ceremony. We will never do anything that is distasteful or will offend anyone in the crowd.*

### **Our Music List and Presentation**

We try to get a music list from the bride and groom prior to their wedding day. It reflects their personal taste in music and helps to create the mood they envision during their reception. We feel the format works best when there are 4 to 5 upbeat songs, followed by 1 to 2 slow once. This creates a nice rhythm and flow to your reception. However, we always have our eyes and ears on the pulse of the crowd!
